FAMILY CARERS IRELAND

Family Carers Ireland in partnership with An Garda Síochána, the National Ambulance Service Community First Responder Schemes, The Irish Red Cross and The Order of Malta has developed an *Emergency Card Scheme* for family carers. When a family carer has an unplanned hospital admission there is a risk that the person who needs their care and support could be left at home alone and uncared for. The *Emergency Card Scheme* is intended to give peace of mind to family carers as well as ensuring that the person they care for remains safe in such emergencies. For more details on the scheme, visit our website on www.familycarers.ie or call our Freephone Careline 1800 24 07 24.
