

SEEING YOUR LIFE THROUGH THE LENS OF THE GOSPELS

1. The image of a boat in a stormy sea is a symbol of life in difficult times and can represent inner turmoil, anxiety and high emotions. When you have been in such circumstances, perhaps a 'Jesus person' came to your assistance and calmed you down? Recall that person with gratitude.
2. The image can also be applied to a family, a community, a parish, or any other group. Remember people who have had a gift of bringing peace to troubled situations.
3. The significance of miracles in the gospels is that they show Jesus as one who brings God's power to bear on human need and suffering. Have there been times when you have been a channel for this healing power of God, holding a crying child in your arms, calming the anxiety of a friend, or being a peacemaker in a group to which you belong?

CYCLE AGAINST SUICIDE – COMMUNITY BUDDY PROGRAMME

Cycle Against Suicide is inviting community clubs and associations to complete our free 'Community Buddy' Programme and be trained to provide 'Buddy' support in their community.

The Cycle Against Suicide Buddy Programme prioritises peer-to-peer action as a means to identify and help those who may be vulnerable. Our programme trains and equips participants with the practical, hands-on skills and knowledge they need to deliver support to those in mental health distress in their local communities. Our aim is to train and deploy 'Community Buddies' across Ireland. We invite local clubs and associations that have personnel who are already Garda vetted to nominate themselves to complete our 'Community Buddy' training programme. This training, delivered over 2 days or 4 evenings, is free of charge for your club/association and will equip you to provide much-needed support for those in your community who maybe struggling with mental health distress. WHAT WILL 'SYNODALITY' MEAN FOR CATHOLICISM IN IRELAND?

ACI Zoom Meeting June 24, 2021 at 8.00 p.m.

Fr Brendan Hoban to speak to ACI on Killala Diocese's three-year listening process 'Placing Faith in Hope' and Ireland's 'Synodal Pathway', to begin this year.

Likely to have only seven serving priests by 2035 – with only two priests ordained in the past two decades – the western diocese of **Killala** is now confronted with the 'cliff edge' forecast for the Irish Catholic Church by the papal nuncio, Archbishop Charles Brown, in 2017. No one has been closer to Killala's listening process – '*Placing Faith in Hope*' – than **Fr Brendan Hoban**, the diocesan co-ordinator. Faced now with the necessity of moving decisively towards responsible lay parish councils and family-focused Mass and faith formation, how will **Killala**, and all other Irish dioceses, make this crucial transition? **Fr Hoban** is also a founding member of the *Association of Catholic Priests in Ireland*. *What can other dioceses and parishes learn about 'synodality' from the Killala experience, now that radical change is certain?* **Join us on June 24th – online – at 8.00 p.m.** Admission to the talk is free and registration is not necessary.
