## KILTEGAN GAA & CAMOGIE NEWS

Our Senior Hurling team had a big win over Avondale in the county Hurling league played on Monday evening in Avondale the final score Kiltegan 1-19 Avondale 0-6.

Wicklow Senior football team had a great win over Laois in the first round of the Leinster Football Championship at Aughrim on Sunday, final score Wicklow 5-15 Laois 4-12. Pdraig O'Toole had a great game at mid field and scored 1-1.

The county hurlers were well beaten by Sligo in the Christy Ring cup and are now out of this competition. Seanie Germaine scored 1-2, Mark Murphy 0-2, Brandon Ryan 0-3, Aaron Byrne, Bryan Kearney, Michael Mangan were also on the team.

Our Junior Camogie team had their first game of the year in the county Junior Camogie league when they defeated Eire Óg Greystones in Greystones on Friday night. Final score Kiltegan 4-2 Eire Óg Greystones 1-6. From the throw-in the girls battled for everything and put in a great performance all over the field Leah Furlong was our most outstanding player as she scored all our scores 4-2, while at the other end of the field our goal keeper Paula Boland brought off some great saves to keep their scores to the minimum. We play Ballinacor in the next game possibly at the weekend.

Our Senior Camogie team under new management of Tom Cremin, Paula Boland and Lorcan Byrne lost their Senior County Camogie League game against Carnew in Carnew on Tuesday evening, final score Kiltegan 2-1 Carnew 4-1. We were level at halftime 2 goals each but they got a couple of lucky goals while we missed many chances of goals and points at the other end, our scores came from Sophie Bermingham 1-1, Tanya Wynne 1-0. Our club would like to thank Shane Tobin for all his help and commitment to our club over the past couple of months. Our next game is against All Ireland Champions Knockananna on Tuesday evening in Knockananna.

Huge congratulations to Faye Corrigan & Sophie Bermingham and Wicklow Minor Camogie team on another great win. This time the Leinster Minor C camogie final against Louth 0-2 to 5-12. Sophie scored 2-3 while Faye scored 0-2, playing mid field she had an excellent game and also received the player of the match award. Well done girls.

Our U14 camogie team lost to Carnew in the league on Monday evening.

Our U16 team made it 3 wins out of 3 when they defeated Arklow Rocks in the Co. League on Wednesday night, final score Kiltegan 7-9 Arklow Rocks 4-2.

Congratulations to Wicklow Minor football team and our own James Boland and Jack O'Toole who defeated Westmeath by a single point in the Leinster Minor Football Championship Preliminary quarter final last night. Final score Wicklow 2-09 Westmeath 2-08. They now play Longford next Wednesday 4th May in Longford.

A great morning was had for all the children from our area representing their schools and clubs in the [Wicklow GAA](#) Cumann Na mBunscoil Skills final in Ballinakill on Wednesday. These players previously came through from one of three regional skills events in Wicklow and it's a fantastic achievement to reach the Wicklow final. Congratulations to all the children from our area who took part: Romi Majlath, Aoife Boland, Josh Furlong, Taylor Ryan, Sean Byrne, Tadhg Reardon and it's a pleasure to say that three of the winners in four categories come from [Kiltegan Gaa](#) and [Kiltegan Camogie Club](#) and will represent their school, club and county in Croke Park later in the year.

Congratulations to Josh Furlong (Football), Sean Byrne (Hurling), Aoife Boland (Camogie)

### **Sustainable Energy Community (SEC) Project**

Rathdangan Community Council has joined St Patrick's, High Park to work together on a Sustainable Energy Community (SEC) project. As we are all aware we need to use less energy into the future, the aim of this project is to help people find ways to cut their energy usage in their homes.

We are currently looking for people who want to get an energy audit done on their homes. The audit is free and will involve an energy assessor visiting your home, afterwards you will receive a report detailing what measures that you could take to increase your energy efficiency. The report will include estimated costing, information on grants available, and how long it would take to recover your investment.

There is a limit on how many homes we can include and what we would like is a mix of houses that are of different ages, so that the information could be helpful to people with similar houses. If you are interested in having your home assessed or you would like to get involved in the SEC project, please contact **Mairead on 0861503063 or [maireadk@hotmail.com](mailto:maireadk@hotmail.com)**
