FOCUS KILTEGAN

28th August 2022

FIRST DAY OF SCHOOL

It's back to school time and we would like to wish all our younger readers an amazing day as they start school for the first time. Good luck to all the returning pupils, have a blast.

To the parents of first time school goers it will be a very emotional day for you, have your camera ready, your Kleenex and the kettle on the boil, but don't forget they will be home again in a matter of hours.

Birthday Greetings this week to
 life long GAA supporter
Michael (Mick) Lennon,
 the younger of the Lennon brothers.
 If you see him out and about don't be afraid to
 wish him a very happy birthday,
 but don't mention the Dub's.

Another very poor display by our Senior Football team in Aughrim against AGB in the Senior Championship on Saturday, final score Kiltegan 0-7 AGB 2-14. Our team played like a group who had just got together to play, there was no commitment, no player putting in hard tackles, our build up was slow when we did get the ball, while AGB attacked, moved the ball quickly. This match was over at half time as we were loosing 1-07 to 0-04. After playing with the wind we only scored two points from play, Rory Finn & Kieran Conway, Seanie Furlong 4pts from frees, Cieran Harmon 1pt from free. Danial Troy who had an excellent game saving us on several occasions received a black card for a tackle on one of the AGB forwards as he was goal ward bound with none of our backs to be seen. Emmett Murphy replaced Danial but they scored from the spot to finish the game.

We are now in regulation battle as we play Dunlavin in the Keating Trophy. Another display like this and we are back Intermediate for 2023.

FIXTURE: Junior Hurling Semi-Final County B Hurling Championship in Ballinakill
 on Wednesday 31st August @ 7.15pm.
 Kiltegan v Aughrim.

Our Senior Camogie team had a major win over Donard/Glen in their second game in the Co. Senior Camogie Championship in Kiltegan on Tuesday evening, the final score Kiltegan 1-06 Donard/Glen 0-05. Played before a huge crowd both teams gave a great display of camogie some great tackling, blocking, running and passing.

Our girls took this game to the opposition from the word go and marked their star players as if their lives depended on this game. Sophie Birmingham opened the scoring with a 30 meter free, Donard levelled the scoring with a free of their own. With 15 minutes into the game Sarah Byrne rattled the net with a great goal as good as ever seen at any camogie or hurling match. Sophie and Fiona scored points to bring us to half time leading 1-03 to 0-03. The second half was played with intense pressure on all the players, we had further scores from Sophie & Fiona. We held them to two points in the second half with some great goal keeping from Paula Boland and our backs lead by Paula's daughter Ciara at fullback. Over all a great display of camogie and the game was refereed by John Keenan who did an excellent job and added to the enjoyment of the game. Manager/selector Tom Cremin and Lorcan Byrne had the girls in the right frame of mind and covered all the moves that Donard made. Well done to all concerned.

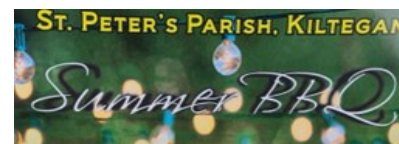

FIXTURE: Senior Camogie Championship next Tuesday
 30th August in Glenealy at 7.15pm.
 Kiltegan v Glenealy.

 your own picnic & snacks for afterwards.
There is no registration fee.

Rathdangan & High Park Sustainable Energy Community

A sustainable energy community is a project to
 help raise awareness of the options available to
 households to save on their energy usage.

Phase 1 of the project has begun with a
 representative sample of houses in the area being
 surveyed to get professional advice on energy
 saving options. This advice will be shared with the
 community later in the year.

As part of Phase 2 we want to carry out an energy
 audit in the community and are asking people to
 complete a survey online

(www.surveymonkey.com/r/GC3C6XL).
 If you would like help with completing the survey,
 please contact Mairead on 086 1503063 or ask
 one of our SEC group members at the
 Community Fun Run.

Phase 3 will be an event later in the year where
 we will share the survey results, and provide ad-
 vice on how best to cut down on our energy us-
 age, save money and play our part in mitigating
 the effects of climate change.
