

TWENTY FOURTH SUNDAY IN ORDINARY TIME Deacon Liam Dunne

(Season of Creation 2)

***Gospel: Luke 15:1-32* Coming to our senses**

In the parable about the lost sheep and the lost coin, we hear how God celebrates when those who stray are returned to the community. In the third parable about the lost son, we hear that the youngest brother eventually ‘came to himself’ or came to his senses as we might say. By entering into greater awareness, he realized that he had made wrong choices and had a change of heart. We might focus today on how we too must come to our senses in our lives, especially during this Season of Creation.

We lament the destruction of God’s creation and the loss of biodiversity that is due to human activity, God’s creatures are disappearing from the Earth at a rate we can scarcely comprehend. In 2020 the *Living Planet Report* concluded that 68% of wildlife had disappeared in the period from 1970 to 2016. We are living through the sixth mass extinction of life in our planet’s history, and this one is being driven by human over-consumption. For example, by destroying our great rainforests we destroy not only trees, but also the habitats of birds, insects, mammals and plants which will never be seen again. Pope Francis invites us to ‘feel the desertification of the soil almost as a physical ailment and the extinction of a species as a painful disfigurement’ (Laudato Si’ §89). We are part of, and dependent on, complex and delicate ecosystems which make up the web of life. This web is now unravelling, and we know that we humans cannot be healthy on a planet that is itself unhealthy.

The enormity of this crisis threatens to overwhelm us. Yet, hope is found in action. Like the lost son in today’s Gospel, we are capable of coming to our senses, choosing again what is good, and making a new start. As with all significant changes, this begins at the grassroots – with you and me.

“Because all creatures are connected, each must be cherished with love and respect, for all of us as living creatures are dependent on one another. ***Pope Francis***

SEASON OF CREATION 1 September – 4 October **A Prayer for the Earth**

God our Creator, maker and shaper of all that is, seen and unseen; You are present in the breadth and depth of the whole of creation, and in the processes that make life possible. Yet, we are distracted by the gods of the marketplace. Our lives have become fractured and fragmented. In our brokenness we disturb the Earth's capacity to hold us. Call us back from the brink. Help us to choose love and not fear, to change ourselves and not the planet, to act justly for the sake of the vulnerable, and to make a difference today for the life tomorrow.

We make this our prayer in your name, Father, Son and Holy Spirit, Amen.

WHAT IS IRELAND'S FAVOURITE HYMN?

Bishop Denis has launched the search to find Ireland's Favourite Hymn and the result will be revealed at the Diocesan Stand at the Ploughing Championship this year. There are thousands of hymns to choose from; ones that we learned at school, from parents and grandparents, or some of the more contemporary compositions that we have come to know and love in recent years. Have your say by sending the name of your favourite hymn to: favouritehymn@kandle.ie

Some of the most popular hymns will be sung by leading performers at the K&L Stand 291 each day at lunchtime before the result is announced on the final day, September 22. We hope to see many people from K&L parishes over the three days and there will be a welcome cup of tea/coffee waiting.
