KILTEGAN GAA & CAMOGIE CLUB

Our Senior Football team travelled to Roundwood on Friday evening to take on the home side An Tochar in Division 1 County Football League bottom 4 clash and we lost on a scoreline of Kiltegan 2-08 An Tochar 4-14. We played decent enough in the first half but they were first out of the blocks with a point from the throw in, with no Kiltegan player getting a hand on the ball. This was followed soon after with a goal from a penalty. We were finding it hard to come to terms with their fast moving players, a Jack O'Toole point followed by a Seanie Furlong free settled us but they tacked on a couple of points before a Jack O'Toole goal levelled the match, a Kieran Harmon point gave us the lead for the first time but they soon levelled with a point. We had missed two 45's and two 2 pointer frees and a couple of bad wides to end the first half all square 1-05 each. After we had played with a strong breeze, a couple of positional changes for the second half saw Cathal Fitzgerald released from county duties who was playing wing back to goal keeping with Emmet Murphy making way, and Steven Coogan coming into the forwards with Jack O'Toole moving to wing back. An Tochar started the second half they way they started the first, they tacked on points at will from play some two pointers. Then some goals to put the game out of reach, the goals coming from some great moves down the wings to a player unmarked at the edge of the square. We had no answer to their fast moving players. We could only manage three points from play and we were awarded a penalty on the call of full time which Seanie scored. Over all a very poor second half, a better display will be needed when we play Tinahely in a weeks time in the last game. Our scores came from Seanie Furlong 1-03, Jack O'Toole 1-01, James Boland, Kieran Harmon, Mickey Foley, Eoin Byrne 1pt each.

Our Junior Football team had a huge win over neighbours Baltinglass in the County Junior Football League at Baltinglass on Monday. Final score Kiltegan 4-12 Baltinglass 0-10. Postponed from Thursday due to schools graduation the Monday fixture was unusual but it did not seem to matter to our lads as they stormed into this game from the throw in. All though playing with the aid of the breeze in the first half we did not play to our strength, wasting a lot of ball, taking the wrong options and some bad wides. Half time score Kiltegan 1-07 Baltinglass 0-04. After the team talk we turned to play against the wind and we upped our game playing more clinical and scoring some great goals and points to run out wordy winners. Our scores came from Andy Foley 2-02, Josh Byrne 1-02, Stephen Coogan 1-01, Oisín Foley Shortall, Derek Daly 3pts each, Emmet Murphy 1pt.

Congratulations and well done to Wicklow Minor Football team and our own Christophor O'Toole who plays wing back and scored a point and Joey Kelly who is a sub, they had a great win over Laois 1-09 to 1-08 to qualify for the All Ireland tier 3 against Longford on Saturday in Tullamore at 12.30. A very busy day for the O'Toole family, parents Christy and Catherine as their other son Padraig lines out at mid field for Wicklow Seniors in the Tailteann Cup against Waterford in Wexford Park at 6pm. Best of luck to both teams.

Irish Cancer Society's Transport Service Volunteer Drivers Needed

The Irish Cancer Society's transport service is seeking compassionate volunteer drivers in your community. Your time can help to continue the vital service of providing transport for patients attending cancer treatment appointments.

If you have a minimum of 2 days per month to spare, a valid driving licence, and a safe, reliable vehicle, you're the perfect candidate to make a significant difference. Your generosity can ease the journey for many during a challenging time, offering comfort and support when it's needed most.

Full training will be provided. There are a number of essential post-drive administration tasks that will require either existing knowledge of basic computer or IT skills, or the willingness to acquire such skills (such as scanning and uploading documents or attending virtual meetings).

For more information and to become a volunteer driver, contact
