## Staying safe in hot weather

Many people enjoy warm weather, but heatwaves can cause heat exhaustion and heatstroke in the elderly, young children, and other vulnerable groups.

### Heatwaves can affect any of us, but those most at risk include:

- babies and young children,
- people over 65 people with underlying health conditions including problems with breathing, heart, kidneys and diabetes,
- people with Alzheimer's and dementia,
- people who spend a lot of time outside or in hot places (such as those who work outdoors or the homeless) .

### Tips for keeping cool in hot weather

When inside you should: turn off lights and appliances not in use as they generate heat, close windows that face the sun during the day, and open them at night when the temperature drops, close curtains in rooms that get morning or afternoon sun, sprinkle water over your skin, or keep a damp cloth on the back of your neck, use an electric fan (but only if the temperature is below 35 degrees).

When outside you should: avoid going out during the hottest part of the day if possible (11am to 3pm), wear light and loose-fitting clothing that covers your skin, wear a wide brimmed hat and sunglasses, regularly apply a broad-spectrum (UVA and UVB) water-resistant sunscreen to skin that is not covered, using factor 30+ for adults and 50+ for children, stay in the shade.

**Drink plenty of fluids:** Adults need about 2 litres of water over 24 hours (may be less for smaller people or those with medical conditions), Drink more fluids when you feel any dehydration symptoms. The best fluids to drink are water or oral rehydration. Drink enough during the day so your urine (pee) is a pale clear colour

**Helping a person under your care drink enough:** A person you're caring for may not have a sense of how much they're drinking. You can help them by: making sure they drink during mealtimes, make drinking a social thing, like 'having a cup of tea', offer food with a high water content such as ice cream, jelly, fruits like melon.

# FOCUS KILTEGAN

**13th July 2025**

THANK YOU!

St Tegan's Hall in Kiltegan was the place to be last Thursday night as organiser John Lennon and the Kiltegan Hall Committee hosted their second Super Variety Show featuring a great line-up of performers. It was a sold out event which saw a crowd of over 220 revellers enjoy music that incorporated all manner of styles and instruments, from country to trad, Ukrainian sounds to bluegrass, and everything between, with attendees singing along to some classic tunes.

Among the ensemble of performers on the night, which raised funds for the upkeep of the community hall, were Eimear Casey, Jorum, Peter, Paul & John, Joanne Daly, Joe Faulkner, Toby & Zara, Ukrainian Ladies, Vintage 45's, Johnny Gleeson and special guest, Dave Lofts.

Kiltegan Hall Committee would like to thank John Lennon for putting the format together, organising all the acts, along with doing a great job as MC on the night. He did a fantastic job, and the calibre of musicians that he brought to the stage on the night was fabulous.

It was a full house, with a mix of all ages coming from Kiltegan and the surrounding areas. We also had a big raffle on the night, with prizes made up by the committee and members of the public, who sponsored prizes on the night.

A big thanks to Ciaran Fitzgerald and his team, who did a fantastic job on the sound and lights. A special thanks to all the volunteers who helped out in the night.

Finally, a huge thank you to everyone who came out to support the event. There's just something special about the Kiltegan community. When you put on anything, they come out in force. Well done to the Kiltegan Hall Committee for their time and hard work.

St Tegan's Hall has gained a very welcomed extension cloakroom & toilet to the rear of the building we would like to thank Gerry Boland for all his hard work completing this project, also a thank you both to John Just and Wayne Nolan who helped with painting jobs of the hall.

## KILTEGAN GAA & CAMOGIE CLUB NEWS

**Our Minor Football** team got their Minor A County Football championship off to a winning start with a great win over Blessington on Monday evening. Final score Kiltegan 1-10 Blessington 1-08. This team gave the large home supporters lots to cheer about, with some great high fielding, great passing movements, great defending in the back line and some great scores at times, but they were also guilty of some bad shooting in front of goal. From the throw in we were on top of this game and were ahead at half time 1-05 to 0-03.

With thanks to Taylor Ryan scoring a great goal and Josh Byrne scoring four points and Charlie Wynne one point. The second half saw the opposition coming more into the game while our backs lead by Arron Young at full back and Sean Byrne at centre back and Layton Landon. Our midfield pairing of Conor Boland and Christophor O'Toole were having a great game fielding great balls were keeping us in the game. Our forwards while having lots of the ball squandered many chances with some wayward shooting even from frees. Blessington levelled the match with a goal and some great points from frees. With time almost up a great run by Conor Boland from midfield scored a two pointer to win the match and send the supporters home happy.

Our scores came from Taylor Ryan 1-0, Josh Byrne 0-05, Conor Boland 0-03, Charlie Wynne 0-02.

**Our Under 15 Football** team also got their Under 15 County Championship off to a winning start when they travelled to Wicklow Town to take on the home side St Patrick's and won in a very high scoring game 7-11 to 4-16. Well done to all.

**The Senior Football Championship** starts this weekend and we wish our Senior Footballers all the best as they start their campaign for 2025.

## 50 Years of Juvenile Football To 1975

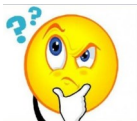

Looking back over 50 years of Juvenile Football in the area the Teachers Cup was the competition every club wanted to win. In 1974 the late Hugh Byrne, Rathcoyle and Peter Keogh got together a very useful juvenile team and reached the final of the Teachers Cup against Blessington in Hollywood for the first time ever. On the evening of the match in Hollywood a car carrying players broke down leaving the team short some key layers and they were beaten by 7-03 to 2-04. The team that played lined out as follows: Hugh Cullen, Matt Gartland, Martin Bowes, Ger Byrne, John Cremin, Ger Doyle, brothers Tom, Jack Byrne, of Knocklishen, Brian Case, Martin Dowling RIP, Larry Byrne, John Murphy, Joe Shortall, Tom Byrne, Tynock, Ned Cremin, Subs: PJ Doyle, Brendan Foley.

In 1975 our juvenile team had their AGM and elected the following; Chairman Andy Byrne, Vice Chairman John Keogh of Drim, Secretary John Cremin, Treasurer Ned Cremin, Captains elected for the year U14 Hurling John Murphy, U12 Hurling Garret Byrne, U14 Football John Keogh of Drim, U12 Football Michael Kelly. Small Schools Leagues Football Pat Donegan,

Lee Cup Hurling Tom Cremin. The club had £24.41p in funds at the start of 1975.

All those young lads were responsible for running their own affairs.

## WHERE IS THE LEE CUP?

The Lee Cup which was first played for in 1974 was donated by business man Billy Lee who had an electrical shop in Baltinglass, his son Pat Lee who lives in Tynock would like to start this competition again. The Lee Cup is missing and we would love if anyone has any information on its whereabouts or has any information that will lead to its recovery can they please contact 087 9280748. This is a very important year for our club and we would love to get this cup home.
