To complement the excellent service currently provided by Community First Responders in Rathdangan, Rathdangan Community Council are erecting a publicly accessible defibrillator at O'Toole Memorial Hall in the coming weeks. We are also organising free CPR and defibrillator training for the community. This is a very important life skill that everyone should be able to perform. You never know when it might be needed and you will be very glad you know what to do if the situation ever arises where you are in a position to help someone in need of CPR. The training will take place on January 18th from 11am-1pm, all are welcome. The training is free, and there are no obligations, we would encourage everyone to avail of the opportunity.

**Baltinglass Credit Union**

We're here to help, with a friendly & professional service & competitive interest rates.
