YOUTH 2000 – SUMMER E-FESTIVAL

The E-Festival of 2020 (14th-16th August) will be unique, but hopefully one to be remembered for all the right reasons! We will adhere to all Church and government regulations regarding coronavirus; thus the content will be online, with as much as possible live-streamed and interactive.

Youth 2000's primary objective is to provide young people with a real retreat, not just an educational conference. We strive to lead each young soul to a genuine encounter with the Living God even within these restrictive circumstances. We usually have over 1,000 attendees as the Summer Festival, so the possibility of reaching ever more online is immense, but only if it is well executed.
